I love signs and sayings. I know I have mentioned this before, like the sign above my church office door that says "Smile it confuses people." Yes, yes it does. Especially when the other person is being rude or difficult in that moment, smiling could change the focus and ease the tension. You just never know. Then there are sayings on the corner of my desk in my collection of various odds and ends that have meaning to me. There is "Rise up." Always an important one and even more so right now as we need to rise up with the message of Jesus Christ, as we need to rise up with God's love and welcome, as we need to rise up with the movement of the Holy Spirit. Yes, rise up.

Then there is an ornament with pink boxing gloves and the words "Like a girl," meaning fight like a girl. This was given to me by Rylee in reference to my breast cancer journey, to keep on fighting, to keep on tackling it head on, to keep on winning. They are important words whether it is for a medical reason or for whatever you are facing in your life. Muster up the strength to overcome the hardship, to find your inner power and to persevere.

The third saying on the corner of my desk is "Be light" on a pink origami star from camp around 2019. Be light. That's pretty straightforward and needed. Be light. Wherever you are, whomever you are with, in whatever situation you face. Be God's light. Shine brightly in the midst of the darkness. Be radiant, glowing and effecting change. A message we all need to hear and be because it impacts in ways like none other. So be light, fight like a girl and rise up. Our communities depend on it.

~ Pastor Alicia

Women's Ministries activities will resume in February. The annual meeting will be after worship on February 22. A week before that will be a Valentine Visitation on Friday February 13. The emphasis on visitation will have three parts—join one, two, or all three!

10:30 - greeting card making with Laurie Crosswhite  
12:00 - lunch  
1:00 - visiting shut-ins and others in groups of 2 or 3

Sign up for the Valentine Visitation beginning Sunday, January 25. You will also have the opportunity to help with the day by providing food for lunch or clean up, calling shut-ins ahead to schedule a visit, or driving for the afternoon calling.

### How can we Help our Neighbors?

**Hood River has an outstanding, mostly volunteer staffed food bank offering food assistance to people who are hungry. FISH food bank is on the frontline fighting hunger in our community. FISH accepts non perishable food, garden and orchard produce, and cash and checks which is used to purchase needed food—especially fresh foods such as eggs and dairy.**

**Our continued support of FISH is important in these troubling times. We will be donating funds from our church's Help a Neighbor fund to help FISH purchase needed food. Please give as you are able to support the food bank's work of keeping families fed in Hood River County.**

**Thank you.**

### **More information:**

- checks may be mailed. FISH mailing address is 1767 12th Street, #147, Hood River, OR 97031
- food items can be dropped off at FISH 1130 Tucker Road HR

**FISH also accepts toiletries, baby items such as diapers, and pet food.**

**If you are able to donate to help those in the Pacific Northwest who are affected by the current floods please address your payment to Week of Compassion designated for the Northern Lights Region.**

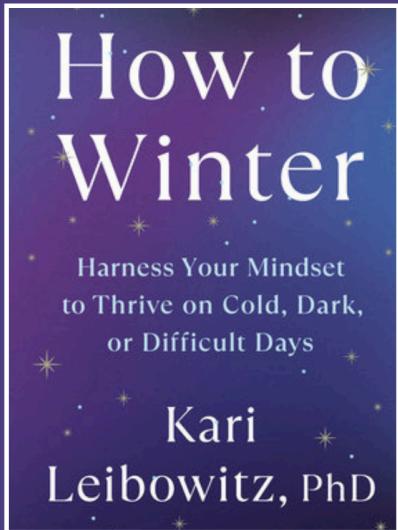

### We need official greeters to welcome people as they arrive for worship on Sunday mornings.

The responsibility of a greeter would be to stand near the front doors beginning at 10:15am with bulletins in hand to warmly greet those who enter. If you are interested in doing this, please let Pastor Alicia or Sable know. Then a schedule will be created. Thank you!

## Weather-Related Cancellations

We are "back to thriving" as we focus again on the Thriving Congregations Project that we are engaged in as a faith community. We are revisiting what was identified as the church's positive aspects and core values last fall. We are moving forward with exploring what these discoveries mean. We are determining how God is calling us in this time and in this place.

One way we are doing that is with the creation of a mission and vision statement. Our thriving team is meeting this Thursday at 5:30pm to begin that creative brainstorming. You are invited to lift up that meeting and those team members (Chrystal, Jennifer, Betty, Geoff and Alicia) in prayer at that time. Ask for the Holy Spirit to move in their hearts and minds as ideas are shared and the calling of this church rises to the surface. Offer up clarity and direction. Simply engage in prayer. It makes a difference and it is needed.

Thank you church family for giving me a college scholarship that allows me to continue my education at Western Oregon University.

It helps a lot.
