Thank you to the many hands that made hosting the regional board this past Friday and Saturday possible. Your willingness to make food, set up, clean up and welcome the board members was greatly appreciated. As Troy Sybrant, the regional board moderator, said, "Thank you for your hospitality." Yes indeed. Thank you for being you. Thank you for creating a welcoming space and warmly engaging with the board. Your light was definitely shining.

Pastor's message

Thank you for shining your light in so many different ways. You walk your faith and make it clear to others what you believe. This is so important in our time and in our place. Let's continue to respond to the call from God to be God's people and extend that warm welcome to all.

~Pastor Alicia

Thanks to a generous donation and women's ministries, the church has new front doors that are ADA accessible. So with a push of a button they will open. Now this is only after that feature has first been engaged inside by someone. This means if the doors have not been engaged and the button is pushed, they will not automatically open. Please be mindful of this, making sure it has been engaged before pushing the button. In

addition, the interior doors are also new. These changes were needed and are wonderful. Come check them out and see how they will aid us as we continue in our ministry.

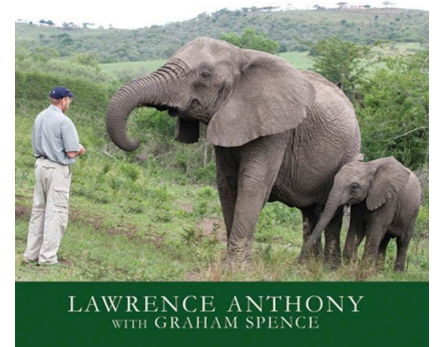

Anthony. Discussion will be Wednesday, March 4, at 2:00 at the Parrott home.

See Rod if you are interested in a copy of the book.

**** All volunteer shoppers Please arrive **before 2:45**. We need to conduct an informational walk through the store before every distribution time.**

**** Please adjust your times to possibly being at FISH until the last client has gone through the store. If for some reason you have to leave at 5 please let me know. We have been very busy with afternoon distributions lately and have had to stay later than normal. Thank you for your help with this.**

**** Also if you stock the store please see me when you arrive or before you leave. There are some changes to stocking the store that need to be gone through with every stocking person. Thank you!**

Lenten theme: Signs to Easter

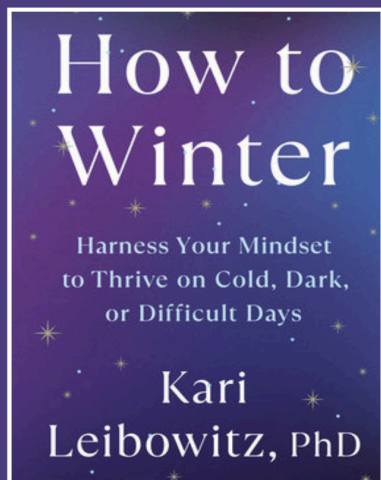

Lent is a significant 40-day season of spiritual preparation, prayer, fasting, and repentance leading up to Easter, focusing on Jesus's sacrifice and resurrection by commemorating His 40 days of trial in the wilderness. It starts on Ash Wednesday, marked by ashes symbolizing mortality, and traditionally involves the three pillars of prayer, fasting, and almsgiving (charity) to

foster self-discipline and draw closer to God, ending before Easter Sunday.

Join us at 6:15 pm at Down Manor for our Ash Wednesday Service.

The women's annual meeting will be after worship on **February 22**. One of the happy duties will be to distribute \$10,000 in surplus funds! In order to smooth that process, all women are invited to pick up a sheet with details and space to make suggestions for organizations to which we can contribute. *These sheets will be collected by*

February 15 and collated for the business meeting.

A week before that will be a Valentine Visitation on Friday February 13. The emphasis on visitation will have three parts—join one, two, or all three!

10:30 - greeting card making with Laurie Crosswhite

12:00 - lunch

1:00 - visiting shut-ins and others in groups of 2 or 3

You will also have the opportunity to help with the day by providing food for lunch or clean up, calling shut-ins ahead to schedule a visit, or driving for the afternoon calling. **Sign up on the sheet on the table in the Narthex.**

If you have questions, see Mary Anne.

Pop up board meeting, Sunday, February 15
immediately following worship for a mission statement and values statements recommendation from the Thriving Team.

A reminder: Church meetings or Thriftshop days may be cancelled if the weather causes hazardous driving conditions. If local schools have cancellations, church activities are likely cancelled as well. Call your group leader before you venture out.

We need volunteers to help drive the bus to pick up our friends at Down Manor and bring them to church for Sunday worship.

If you can help, or need a ride, please use the sign up sheet on the table outside Pastor Alicia's office to let us know :)

We need official greeters to welcome people as they arrive for worship on Sunday mornings.
The responsibility of a greeter would be to stand near the front doors beginning at 10:15am with bulletins in hand to warmly greet those who enter. If you are interested in doing this, please use the sign up sheet outside Pastor Alicia's office.

Thank you!

Join us on February 13, 2026 for Dutch Bros giveback day!

On February 13, stop by Dutch Bros in Hood River OR The Dalles to grab your favorite drink! The Dutch Bros Foundation will donate \$1 from every drink to support the work done at the Hood River Valley Adult Center! Please spread the word and invite your friends and family to sip for a cause.

Join us for a Financial Literacy workshop, geared to older adults. We'll focus on different types of financial exploitation, tips for recognizing scams, and strategies for avoiding identity theft.

A NEW WAY

ELEVATING HOMES & HOPE

On October 29, 2021, Somerset and Dorchester counties experienced Maryland's worst tidal flooding in 50 years — in many places, water levels were at or higher than Hurricane Sandy (2012). This kind of massive flooding creates immediate and long-term health threats to flood survivors and to their homes. The influx of bay water carried contaminants and wreaked havoc on plumbing and electrical systems, and left homes susceptible to the growth of mold and mildew.

The 2021 storm was unnamed and undeclared by federal agencies, and received minimal media coverage. Few people knew the storm even happened, let alone where to find the resources and networks needed to help survivors move toward recovery. But the Eastern Shore Long-Term Recovery Committee was there. Having formed after Hurricane

Sandy, the ESLTRC was able to stand back up quickly when needed in 2021.

Following Phase One (rebuilding 10 destroyed homes) the ESLTRC imagined new ways to respond to survivor families seeking help. In spring 2024, Week of Compassion entered into a new partnership with the Eastern Shore Long-Term Recovery Committee. This partnership agreement provides salary support for the ESLTRC Disaster Recovery Coordinator as they move into Phase Two operations: a tidal flood recovery and mitigation project, aiming to use volunteer labor to elevate 100 homes that flooded in 2021 and are at risk of repeat flooding in Somerset

Story originally shared March 2025. Additional details and photos follow a recent Week of Compassion partner visit. See the 2026 Special Offering theme video "A NEW WAY" for more! WeekOfCompassion.org/2026

and Dorchester Counties. The intention is to make homes healthy and safe, to “reduce the risk of repetitive damage, provide better stewardship of funding entrusted to us, and improve the quality of life for surviving families.”

Two of the poorest counties in the state of Maryland, Dorchester and Somerset residents live primarily in HUD-owned public housing; almost half the population of Crisfield MD (Somerset Co) lives in supported housing units. In response to this need, the ESLTRC stepped into Phase Three of their work – partnering with the city of Crisfield to build new affordable homes on previously abandoned lots and making homes affordable and available to new homeowners. Crisfield Mayor, Darlene Taylor, celebrates the way relationships nurtured over the last decade have made possible the development of this multi-phased approach. She emphasizes “those are things that only come from long-term partnerships.”

With the increased intensity and frequency of storms, the strategy – to not repair homes without also elevating them – has gained not only notoriety, but also support from the community to make lasting changes. The people of the Eastern Shore value the long-term recovery effort and the significant mitigation component.

This intersection of socioeconomic status and climate vulnerability is

where the resources and creativity of Week of Compassion, our partners, and community-driven response meet. Coming alongside climate-vulnerable communities like the Eastern Shore is a significant shared priority among ecumenical partners and local leaders.

Mayor Taylor notes, “When the ESLTRC came in, from the beginning, they built relationships of trust in our community... The vulnerable in our community are often overlooked, but one of the things the ESLTRC was so good at was making sure those who were most in need... were the ones who actually received services. What we have now is a whole new paradigm, a new trust model.”

This is where Week of Compassion is eager to engage – relying on ecumenical connection and innovative local leadership to find **A NEW WAY** makes the program successful, and most importantly, provides tangible hope and new possibility for survivors right in their own communities.

SPECIAL OFFERING 2026 FEBRUARY 15 - 22

As the relief, refugee, and development mission fund of the Christian Church (Disciples of Christ), Week of Compassion works with partners to alleviate suffering throughout the world, with a vision of a world where God's people transform suffering into hope.
