What a meaningful and wonderful Advent, Christmas and Epiphany season. The church was filled with amazing music on Sunday mornings and throughout the week. The children and youth shared a message about seeking the Christ child. Those who read during worship brought needed words of hope, peace, joy and love. Many giving hands made fellowship hour goodies possible. And then those who decorated, un-decorated and cared for the space held important roles. It all made for a memorable season.

## Pastor's message

Thank you to everyone for sharing in the life of this faith community. Thank you for supporting one another, for loving one another and for praying for one another. You continue to amaze me with your faithfulness and commitment to one another and to your faith. May we continue to live in these important ways this year.

~ Pastor Alicia

### How can we Help our Neighbors?

Hood River has an outstanding, mostly volunteer staffed food bank offering food assistance to people who are hungry. FISH food bank is on the frontline fighting hunger in our community. FISH accepts non perishable food, garden and orchard produce, and cash and checks which is used to purchase needed food—especially fresh foods such as eggs and dairy.

Our continued support of FISH is important in these troubling times. We will be donating funds from our church's Help a Neighbor fund to help FISH purchase needed food. Please give as you are able to support the food bank's work of keeping families fed in Hood River County.

Thank you.

#### **More information:**

—checks may be mailed. FISH mailing address is 1767 12th Street, #147, Hood River, OR 97031  
—food items can be dropped off at FISH 1130 Tucker Road HR

FISH also accepts toiletries, baby items such as diapers, and pet food.

If you are able to donate to help those in the Pacific Northwest who are affected by the current floods please address your payment to Week of Compassion designated for the Northern Lights Region.

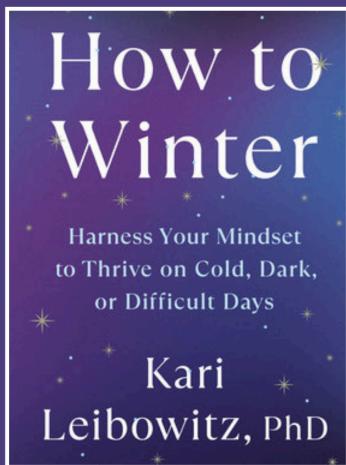

We need official greeters to welcome people as they arrive for worship on Sunday mornings.

The responsibility of a greeter would be to stand near the front doors beginning at 10:15am with bulletins in hand to warmly greet those who enter. If you are interested in doing this, please let Pastor Alicia or Sable know. Then a schedule will be created. Thank you!

A reminder: Church meetings or Thriftshop days may be cancelled if the weather causes hazardous driving conditions. If local schools have cancellations, church activities are likely cancelled as well. Call your group leader before you venture out.

As we begin the new year, we continue to engage in the Thriving Congregations Cohort. Our thriving team continues to meet and be in prayer about this faith community. Our members and participants are continued to be encouraged to pray for this faith community. We all have a role to play as we delve deeper into what it means to thrive.

This month our thriving team of Betty, Jennifer, Chrystal, Geoff and Alicia will meet to take all of the insight and conversations from the church's meetings last fall to create a mission statement. Then that statement will be shared with the church board for further discussion and eventually approval. Then it will be shared with the entire congregation. As this process moves forward, continue to focus on the word thrive, to lift up how this congregation is thriving and to pray for the journey ahead. It is an exciting time as we go where God leads us.

### **NEW YEAR PRAYER:**

Thank You Lord for giving me  
The brand new year ahead.  
Help me live the way I should  
As each new day I tread.  
Give me gentle wisdom  
That I might help a friend,  
Give me strength and courage  
So a shoulder I might lend.  
The year ahead is empty,  
Help me fill it with good things  
Each new day filled with joy  
And happiness it brings.  
Amen.
